

## PAT Test Certificate

Date: 30/07/2024

Certificate ID: N/A

Equipment owner: Richard Sallnow

To whom it may concern,

The attached schedule contains details of electrical entertainment equipment owned and operated by the owner specified above. This equipment may be operated by other bands or used for other public entertainment purposes. Also other 'tested' electrical equipment, not on the attached schedule, may be used for particular performances.

The equipment listed has successfully passed both visual inspection and electrical testing on the dates shown and is identified by 'pass' labels and is deemed to have met the electrical test requirements as defined by the Electricity at Work Regulations 1989, Regulation 16.

Signed:

Date Tested: 30/07/2024

Valid Until: 30/07/2026

## Electrical Test Sheet (Portable Appliance Testing (PAT))

Date of test: 30/07/2024	Owner: Richard Salmou	
Make: Master Plug	Model: 5M Surge Protected Extension lead	
Serial Number:	Type of equipment: Extension lead	
Earth bonding and insulation test if Class 1 appliance: <b>PASS / FAIL</b> (delete as appropriate) N/A		
<b>Item</b>	<b>Condition</b>	<b>Pass / Fail / NA</b>
Mains plug	No damage	Pass
	Correctly connected	Pass
	Cable clamp grips sheath	Pass
	Correct fuse	Pass
Mains lead	No damage (ie cuts)	Pass
	Inner cores not showing	Pass
	Cable clamp not damaged	Pass
Mains switch	No damage & correct operation	N/A
Case	No damage or signs of overheating	Pass

Signed: 

Date: 30/07/2024

## Electrical Test Sheet (Portable Appliance Testing (PAT))

Date of test:	30/07/2024		Owner:	Richard Sellnow	
Make:			Model:	3M Surge Protected Extension lead	
Serial Number:			Type of equipment:	Extension lead	
Earth bonding and insulation test if Class 1 appliance: <b>PASS / FAIL (delete as appropriate)</b> N/A					
Item	Condition	Pass / Fail / NA			
Mains plug	No damage	Pass			
	Correctly connected	Pass			
	Cable clamp grips sheath	Pass			
	Correct fuse	Pass			
Mains lead	No damage (ie cuts)	Pass			
	Inner cores not showing	Pass			
	Cable clamp not damaged	Pass			
Mains switch	No damage & correct operation	N/A			
Case	No damage or signs of overheating	Pass
